

Student Experience: Zearn and Clever

Step 1: Select Zearn in Clever Application

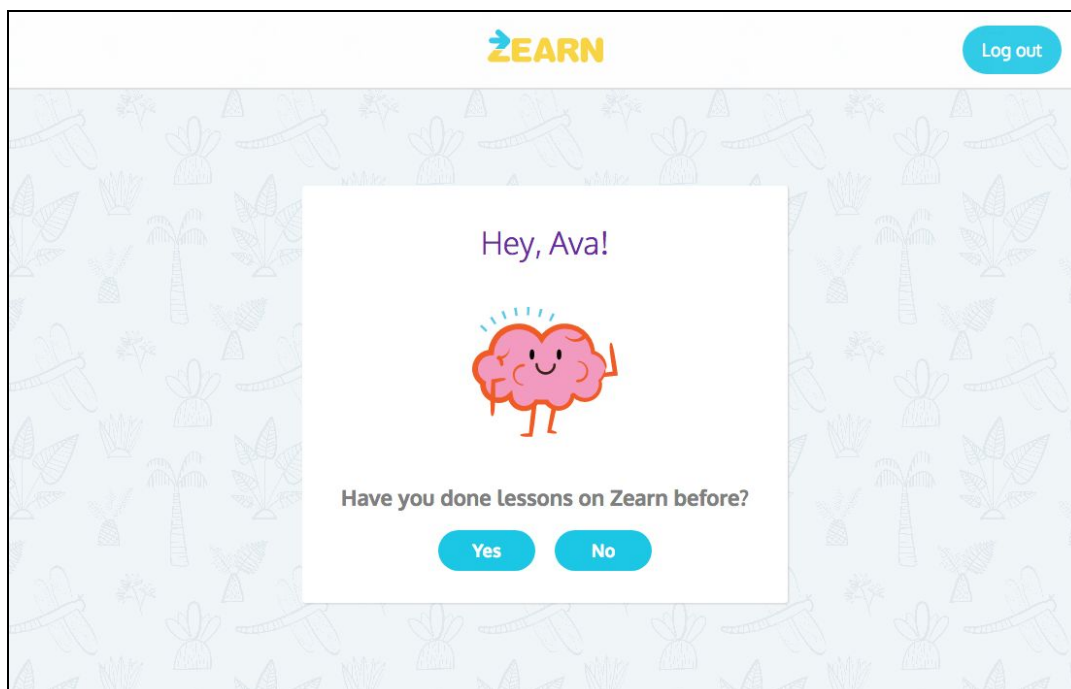

Students should login to their Clever Portal and select the Zearn tile.

Step 2: Let Zearn know if you already have an account

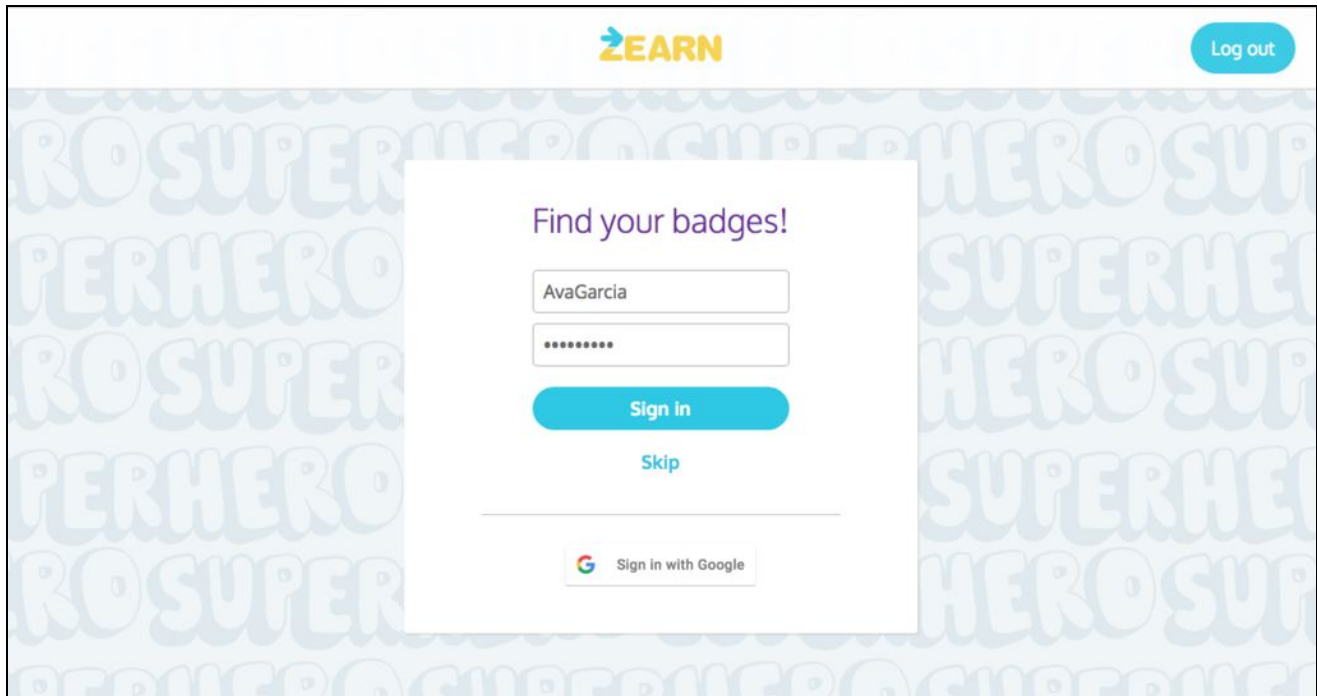

After clicking on the Zearn tile, students will either be brought directly to their Student Feed (see step 4) OR they will be prompted to match their Zearn account. This step occurs as an attempt to match new Clever accounts to previously used Zearn accounts so that students can keep their historic progress.

Students will see the below prompt if we were not able to automatically match their information based on student IDs. If students have used Zearn before, click "Yes"! If not, click "No" to be taken directly to the student Feed.

Step 3: Link your Zearn Account

If students said "Yes" above, they will be prompted to enter the username and password for their existing Zearn account. After entering, they will click "Sign In". (If they used Google Single Sign On to access Zearn, they will click on the 'Sign in with Google' button)

The screenshot shows the Zearn login page. At the top, the Zearn logo is on the left and a "Log out" button is on the right. The background features a repeating pattern of the words "SUPERHERO" in a light blue, bubbly font. In the center, there is a white sign-in form with the heading "Find your badges!". Below the heading are two input fields: the first contains the username "AvaGarcia" and the second contains a masked password "*****". Below these fields are two buttons: a blue "Sign in" button and a blue "Skip" link. At the bottom of the form, there is a "Sign in with Google" button with the Google logo.

Step 4: Start Zearning!

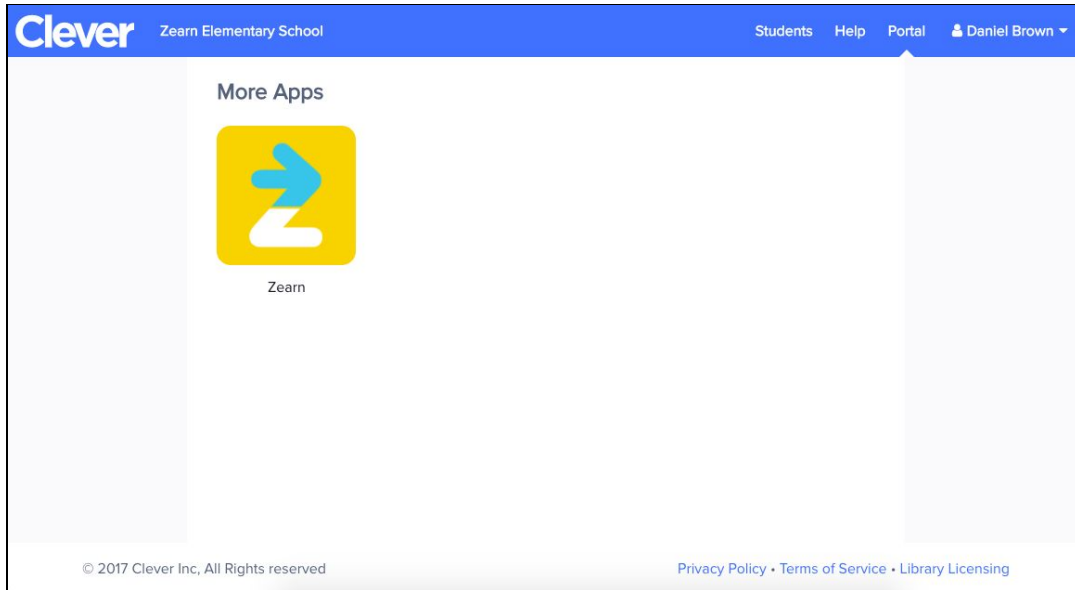

After linking their account with any previously used Zearn username and password, students will be able to access their Student Feed. At the top of their Student Feed, students are shown what they should work on next, and cannot progress to the next part of the Independent Digital Lesson without completing the preceding part.

The screenshot displays the Zearn Student Feed interface. On the left, a user profile card shows the Zearn logo and the name 'Ava'. Below it is a navigation menu with options: 'NEXT UP' (highlighted in yellow), 'MY STUFF', and 'SIGN OUT'. The main content area features a large orange banner for 'Number Gym' with a colorful diamond graphic and a 'Start ▶' button. Below the banner is a mission card titled 'Yeah! You're ready for a new Mission' with the mission name 'Place Value with Decimal Fractions' and 'Level 1 Move the Digits'. The mission card includes a gift icon and a progress indicator with 10 blue dots, the first of which is highlighted. A small 'X' icon is visible in the top right corner of the mission card. At the bottom of the page, a copyright notice reads: 'Portions of this work, Zearn Math, are derivative of Eureka Math and licensed by Great Minds. © 2017 Great Minds. All rights reserved.'

Staff Experience: Zearn and Clever

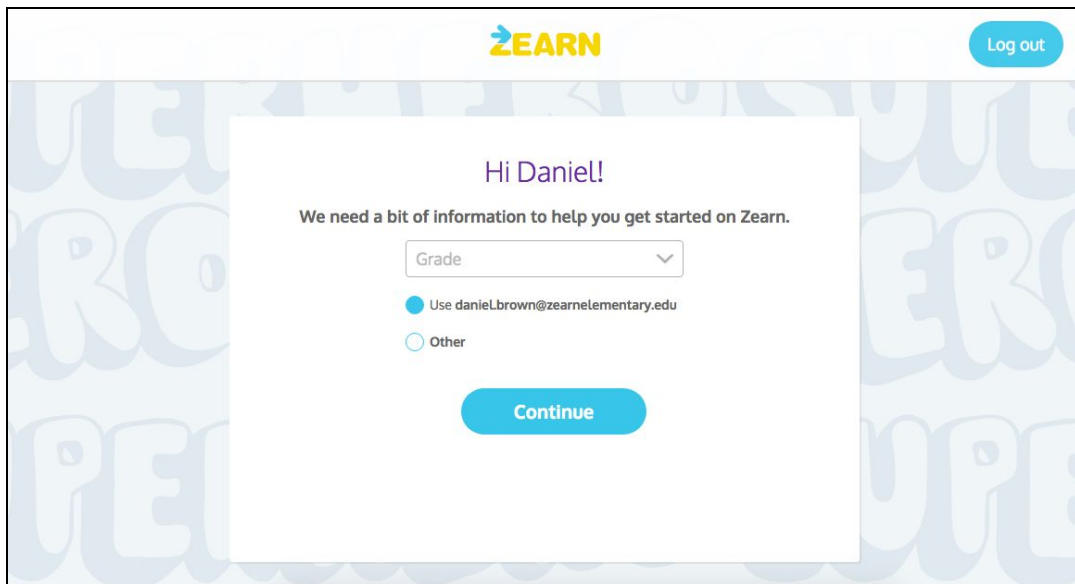

Step 1: Select Zearn in Clever Application

Staff should login to their Clever Portal and select the Zearn tile.

Step 2: Confirm your grade and email

On your first login, you'll be prompted to enter your grade level, and verify your email.

Step 3: You're all set!

After entering your Grade and email information, you're logged into Zearn! Enjoy!

The screenshot displays the Zearn user interface. At the top left is the Zearn logo. To its right are two buttons: 'K KINDERGARTEN' and '1-5 GRADES'. Further right are links for 'Classes' and 'Help', and a user profile dropdown menu showing 'Daniel Brown'. A yellow banner below the navigation says 'Welcome, Daniel!'. The main content area is divided into several sections:

- THE ZEARN MATH APPROACH**: Features a video thumbnail with a play button and the text '3 minutes on partnering with Zearn in your classroom (GI-G5)'. Below this is a section titled 'TRY ZEARN AS A STUDENT' with a small image of a Zearn product box.
- NEXT STEPS**: Contains a yellow icon of two people, the heading 'CREATE STUDENT ACCOUNTS', the text 'Add your students so they are ready on day one.', and a blue button labeled 'GO TO CLASSES'.
- WHAT'S NEW**: A list of updates including '2017/2018 Printed Materials', 'Accessing Zearn Reports', and 'Zearn for Schools'.
- ZEARN IN YOUR MATH BLOCK**: Features a yellow house icon with blue rays above it.
