How to log in to your NYC DOE Zearn Account

1. To log in to your staff account, or help your students log in, go to teachhub.schools.nyc and enter your DOE username and password.

2. Click on the Clever icon to enter your Clever portal.

3. Click on the Zearn icon under your list of available applications. You’re all set!

If you or your student have forgotten their credentials, click on Password and Profile Management below the sign in box.

If you do not find the Zearn icon under your list of available applications, please reach out to support@zearn.org and our dedicated NYC DOE support team will be happy to help!
