ZEARN

Navigating Spanish-translated Content

Beginning in the 2025-26 school year, teachers with a Zearn School Account can enable students to access K-2 Guided Practice and Tower of Power activities in Spanish. This first phase of Zearn's multi-year rollout of Spanish-translated digital content ensures young learners can receive critical language support from the start. Use this guide to learn how to turn on Spanish content for your students!

I. Teacher Instructions to Change Students' Language Settings
