Implementing Zearn Math
Curriculum Professional Learning Series

Come together with educators from your school or district for an in-person or virtual PD session. PD sessions are designed to help you launch and grow your Zearn Math implementation, from Foundations sessions to Advanced PD.

### Foundations

**Launch Zearn Math**
6 hr | K-5, 6-8 | Full agenda →
Unpack the materials and digital platform and dive deep into a math lesson.

**Grow with Zearn Data**
6 hr | K-5, 6-8 | Full agenda →
Explore student progress data and learn how to annotate and adjust lessons.

### Advanced

**Build K-8 Coherence with Zearn**
6 hr | K-2, 3-5, 6-8 | Full agenda →
Support all learners in participatory math discourse and independent learning.

**Build a Culture of Learning with Zearn Data**
6 hr | K-2, 3-5, 6-8 | Full agenda →
Create a classroom that fosters self-directed learning and allows for productive struggle.

**Lead Zearn Math**
6 hr | K-8 | Full agenda →
Unpack the materials and digital platform and dive deep into a math lesson. Learn methods for leading and monitoring strong implementation.

**Lead Zearn Math**
6 hr | K-8 | Full agenda →
Explore supports to coach teachers to annotate and adjust lessons and foster discussion. Learn tips and tricks for celebrating and troubleshooting implementation.

In addition, on-demand Curriculum Study PD sessions are available as an asynchronous instructional resource for every objective of K–5 math.
