# ZEARN'S BRAINY CHALLENGE

## 1 Log into your Zearn account

Students should log into Zearn and complete the lessons in the “Next Up” tab

## 2 Complete the target number of lessons!

Set a goal to complete 12 digital lessons

### Want to help motivate your student to complete the challenge?

Here are tips for supporting your child’s learning with Zearn Math. You can also reach out to your child’s teacher for more information about their progress in the challenge.

Zearn is the 501(c)(3) nonprofit educational organization behind Zearn Math, the top-rated math learning platform used by 1 in 4 elementary-school students and by more than 1 million middle-school students nationwide.

# ZEARN'S BRAINY CHALLENGE

## What to know

Zearn's Brainy Challenge is a one-month challenge educators can use to support engagement and motivation with Zearn!

Your students can participate in the challenge by logging into their Zearn account and **completing 12 digital lessons through their Next Up tab.**

## Resources

### Brainy Challenge Tracker

A one-page tracker students can color in each time they complete a Zearn Digital Lesson.

[Download the tracker](#)

### Brainy Challenge Family Flyer

A one-page flyer for telling families about the Brainy Challenge.

[English](#)

[Spanish](#)

### Brainy Challenge Completion Certificates

A full-page certificate for all students who complete the Brainy Challenge.
