

Implementation tools: 2018–2019 pricing

School Accounts

Administrator-level tools to drive results with Zearn Math. School Accounts provide school and district-level reports, implementation guidance, and roster setup (including optional **Clever** integration). Professional Development is only available to School Accounts.

\$2,500 per school site for an unlimited number of students, teachers, and administrators.

Professional Development

On-demand PD options designed to ensure every teacher is successful with Zearn Math. There are two PD options delivered through Zearn's digital platform: Classroom Implementation (3 hours completed at the beginning of the year) and Curriculum Study (8 hours per grade level completed over the course of the year).

\$2,500 annual subscription per school site for access to Classroom Implementation and Curriculum Study PD; includes an unlimited number of teachers and administrators.

Classroom Implementation PD only: \$500 annual subscription per school site.

Printed Materials

Zearn Student Workbooks and Teacher Answer Keys provide critical daily paper materials in one easy-to-use place: Student Notes to complete alongside Zearn Digital Lessons, Exit Tickets, and solutions to Student Workbooks for teachers.

\$28 per student for full year of content
\$75 per teacher for full year of content
